Many thanks to all those that attended our third and final Open TT of 2008 on Saturday – it was a case of third time lucky with the weather, although we still had some rain at least we got to use the U47!! Conditions on the day weren't the best, so the course record was not broken – but a massive congratulations must go to all of those that PB'd on the day.

Congratulations go to all our prize winners (see details below), we'll be back in 2009 with more events supported by Performance Cycles, so we wish you a good end to your season, a very productive winter and here's to some good weather and great times in 2009!!
